

First Corporate  
solutions

**Job Title:** Product Manager or Product Owner (Dependent on Experience)

**Location:** Sacramento, California

First Corporate Solutions (FCS) is a global risk management and due diligence firm providing UCC and corporate solutions that help legal and financial professionals mitigate risk and perfect secured transactions. As a longtime leader in web-based due diligence solutions, FCS offers a comprehensive online lien searching, UCC filing, monitoring, and portfolio management system that provides users with centralized management of all activity.

**Job Summary:**

The Product Manager or Product Owner will be responsible for helping to define the product vision, gathering and prioritizing product and customer requirements, and ensuring that the product supports the company's overall strategy and goals.

**Essential Duties and Responsibilities:**

- Have a startup mindset – roll up your sleeves and get the work done as a team
- Act as the product owner on the agile scrum team
- Create user stories, acceptance criteria, release notes and communications
- Prioritize and maintain the product backlog
- Analyze new business requests and assess the feasibility of the requests vs. the company's overall strategy and goals, system functionality, customer needs and resources
- Communicate with and present to business stakeholders
- Present educational webinars to prospects, external and internal customers
- Work with product manager on product roadmap and strategic projects
- Identify and track key metrics to improve the product and business
- Conduct user and competitive research
- Facilitate usability testing
- Prefer Sacramento area - will consider remote/working from home if in a California metro area like San Francisco, Los Angeles or Orange County
- Will require 5 to 10% travel

**Minimum Qualifications and Experience:**

- Bachelor's degree
- 1 to 5 years as a product owner or product manager in an agile environment
- Strong project management, analysis and communication skills
- Working with cross functional teams, multiple stakeholders and prioritizing competing requests
- Microsoft Office

**Preferred Experience: (Bonus Points!)**

- CSPO or equivalent certification
- Background in B2B and information services
- Jira
- Microsoft Project or other project management application
- Pragmatic marketing framework
- Competitive intelligence
- Usability testing

First Corporate Solutions is an EOE and offers a competitive benefits package. Salary is DOE. To be considered for this position please submit your resume and cover letter summarizing your experience to [careers@ficoso.com](mailto:careers@ficoso.com). Thank you for your interest!
