

UCC Online Search System

Rhode Island and Mississippi

First Corporate Solutions has added Rhode Island and Mississippi data and image libraries to its online search system in its Q3/2012 release. Active users can log on now to www.ficoso.com and search its reliable state-direct Rhode Island (UCC) and Mississippi (UCC, Federal Tax Lien and Farm Lien) data complemented by an expansive library of clear, downloadable document images.

RHODE ISLAND

UCC
Record Count
126,496

MISSISSIPPI

Data Type
UCC, FTL, Farm Lien
Record Count
1,088,153

SYSTEM OVERVIEW

First Corporate Solutions' web-based searching and filing system offers the tools you need to perfect and maintain your security interests with ease. It simplifies your daily processes by providing online access to perform online searches, view images, place orders, prepare and submit UCC filings and manage your filing portfolio.

ONLINE SEARCH SYSTEM BENEFITS

COST SAVING

- Self-search online for a low cost alternative to a manual search effort
- Incur no correspondent fees, no set up fees, no monthly minimums
- Use our broad-based name searching features to combine similar names onto a single search report

ACCURACY

- Trust our high-quality data, purchased directly from the state filing offices
- Print a similar name report for your file and keep track of name variations
- Drill down on preliminary results using our unique sorting and filtering features

EFFICIENCY

- Enjoy instant UCC and Lien search results with no rush fees
- Use the system when you need it most with 24/7 access to UCC and Lien data and clear document images
- Reduce redundant search efforts with free access to online search history saved for 90 days

SYSTEM REQUIREMENTS:

- * Active Online System User
- * Internet Connection
