

FICOSO UCC Search Subscriptions

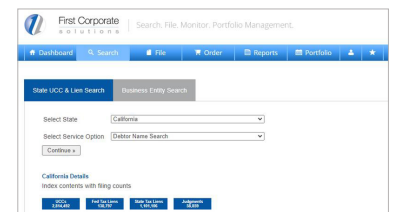

New unique subscription plans to empower your decision making

- ✓ Access to nationwide UCC database and comprehensive image library
- ✓ Unlimited online images included at no additional cost
- ✓ Predictable flat rate and price lock guarantee

Welcome to a new era of UCC searching. FICOSO search solutions bring your due diligence to the next level and give you instant access to nationwide information critical for your risk mitigation. Leverage the powerful keyword search logic that finds records with name variations and incorrectly indexed names across all states.

Customize the subscription plan to meet your business needs

- Flexible subscription levels and 3-year price lock guarantee
- Accelerated cost savings for higher search volumes
- Predictable budgeting and monthly billing statements with no extra charges or surprises
- Conduct multiple searches and view all online images you need without worry of hitting limits
- Explore additional searching and filing services for retrieving corporate documents and conducting lien, litigation, and bankruptcy searches
- Easily integrate into your own systems with our secure JSON RESTful API solutions
